Objective

MERN Stack Developer | Full-Stack Web Developer with hands-on experience in building, testing, and deploying scalable web applications. Strong knowledge of JavaScript (ES6+), React.js, Node.js, Express.js, and MongoDB with experience in RESTful APIs, authentication, database design, and frontend optimization. Seeking an Internship or Junior Developer role

Technical Skills

- ✓ **Frontend Development:** HTML, CSS, JavaScript, React.js, Bootstrap
- ✓ **Backend Development:** Node.js, Express.js
- ✓ **Database Management:** MongoDB,
- ✓ **Version Control:** Git, GitHub
- ✓ **Other Tools:** Firebase Authentication, jsPDF, Postman, API Integration

Education and Training

- ✓ **BS Computer Science** – University of Peshawar
- ✓ **FSC Pre-Engineering** – The City Collage Peshawar
- ✓ **Metric** – Al Qasim Public School

Projects

I have successfully completed several real-world projects, including:

QuizCraft – Intelligent Quiz Generation and Paper Creation System: A full-stack application that streamlines quiz creation for educators. It features a React.js + Bootstrap frontend and a secure backend built with Node.js, Express.js, and MongoDB. It includes random/custom quiz generation, Firebase Authentication, and jsPDF for PDF exports.

Tera Marketing: This is website for marketing Company which is still under working, It uses route-based access control and Mongoose for schema design and validation.

SmartHub: A full-stack project management and analytics dashboard built with React.js, Node.js, Express.js, and MongoDB. Features secure JWT-based authentication, role-based access, interactive charts, advanced data tables, time tracking, and CRUD operations with a responsive, professional UI.

Future Directives / Career Goals

- ✓ Aspire to grow as a developer by mastering both frontend and backend technologies.
- ✓ Aim to lead innovative projects that create impactful user experiences and drive business success.
- ✓ Committed to continuous learning and staying updated with industry trends.

Soft Skills

- ✓ Problem Solving
- ✓ Team Collaboration
- ✓ Adaptability
